Praise for *All That Jesus Asks*

“Rigorously presenting the Jesus of the Gospels as our interrogator, and digging deep into the realities of discipleship as he taught it, Guthrie’s book is a landmark, perhaps a classic. I urge you to buy it and read it again and again.”

—**J.I. Packer**, Professor of
Theology, Regent College

“People’s sentiments about Jesus can run strong—which means one can gild the real Jesus with so much sentimental ‘dew on the roses’ that the actual Christ of the Gospels has nearly become lost. We prefer a sentimental picture because it requires nothing from us, neither conviction nor commitment. And because it lacks truth, it lacks power. . . . In *All That Jesus Asks*, you will discover the rugged truth about Christ and what that truth asks of *you*.”

—**Joni Eareckson Tada**,
